2009/2010 WORK STUDY AWARD TRACKER

Student:

ID#:

Your work-study award amount divided by your hourly wage equals the total hours of work available this year.

$$\begin{array}{rcl}
 \text{Award} & / & \text{Hourly Rate} & = & \text{Total hours available} \\
 \hline
 & / & & = &
 \end{array}$$

Enter the hours you work each pay period and subtract from your remaining hours to calculate the hours you have left to work this year.
