2010/2011 WORK STUDY AWARD TRACKER

Student: _____ **ID#:** _____

Enter your work-study award amount and hourly wage to calculate the total hours you can work this year. The grey boxes are calculated for you.

$$\frac{\text{Award / Hourly Rate}}{\quad} = \text{Total hours available}$$

Enter the hours you work each pay period to calculate the hours you have left to work this year. See also how many hours per week that averages out to if you work every week!
