

# AMERICAN CHEMICAL SOCIETY PUBLICATIONS

## *BEGINNER'S GUIDE*

**COVERAGE:** Online editions of the journal publications of the ACS, now including all archives from 1879 to current, all full-text.

**ACCESS:** From the Library web page ([www.ius.edu/Library](http://www.ius.edu/Library)), click on "Article and Database Search (under FIND INFORMATION.)" Scroll down to the Alphabetical List and select American Chemical Society Publications (From off-campus, log in as prompted.)

### BASIC INSTRUCTIONS:

1. At the ACS publications Main Page, type in your search terms in the "Article Quick Search" box at the top right of the page, and select the appropriate search type from the adjacent pull-down menu.
2. For a more sophisticated search, select the blue "Advanced Search" tab and follow instructions. (At any search screen, you can type in a specific title to limit your search to that journal.)
3. At the Results screen, click on one of the full-text options in the citation to view an article, and scroll down to read. If you want to narrow your search, type additional search terms in the "Search within results" box at the bottom of the results screen.
4. To print from Acrobat reader, click on the printer icon within the Acrobat screen. To print from other full-text options, use your browser's print options.  
**SPECIAL NOTE:** *There are links to reference sources at the ends of the articles. Click on a blue link to go to the referenced article.*
