TO ALL SCHOOL ADMINISTRATORS AND TEACHERS AND PARENTS

On behalf of the Paul W. Ogle Cultural and Community Center, **YOU** are cordially invited to participate in our **2010-11 Children's Series**. As your school team prepares for the upcoming academic year, we would love to be a part of the excellent programs and experiences selected for your students.

Please remember that The Ogle Center brings these high-quality, nationally-known performances *free* – to every one of our school children – in our thirteen county service region! The only cost to the school is the transportation. We are one of only a few in the nation to offer this type of children's program, providing wonderful opportunities for our school children who may otherwise never have the opportunity to attend a true live performance – whether it be music, dance, theater, or the visual arts.

We have finalized the Chase Children's Programming for 2010-11 and we have SIX – *yes, SIX (6)* – wonderful artists and 40 student-matinee performances at 10 am and noon. We are proud to be associated with an institution which so highly values the arts and the role it plays in educating our future citizens and leaders. The 2010-11 Program Season . . .

- The Series begins in September with a special partnership with Stage One to bring the wildly popular To Give a Mouse a Cookie to the Ogle stage.
- In October Kusun Ensemble will showcase elements of African dance and delight audiences!
- New for 2010-11 Season— classical star and skate board enthusiast Alpin Hong brings his uniquely humorous and visionary approach to arts education to communicate his passion for music to audiences of all ages!
- Stage One returns to the Ogle Stage for a special theatrical presentation of the classic novel Tuck Everlasting.
- And Mr. Stinky Feet returns with sell-out attendance records! The kids love his interactive concerts – educational and entertaining for all age groups!
- And last but not least – Doktor Kaboom returns to The Ogle Center with his special blend of science and fun for a memorable and educational experience! Hurry - all Doktor Kaboom shows sold out in 2009!

For securing your reservations, please contact Tracy Heightchew, Box Office Manager (812.941.2525) or visit our website and complete an on-line advance reservation form at <http://oglecenter.ius.edu/PDF/CSRRegistrationForm.pdf> for reservations only. Please remember this Children's Series is on a first come – first served basis and the dates fill quickly, so you will want to get this information into the hands of your program coordinators and teachers as quickly as possible.

If you have any questions or would like any of our staff to make a presentation on behalf of the Ogle Center / Chase Children's Series, please do not hesitate to contact us. We will be more than happy to meet with any of the school administrators or answer any of your questions at your convenience. We greatly appreciate any suggestions that you may send our way as we extend our outreach to our community school systems!

Thank you
