The Award The one-year Rasmussen Theatre Awards provide qualified students with the equivalent of *up to* 15 credit hours of in-state tuition and fees. These awards, which are also available in music, are renewable. Applicants need not be Indiana state residents; however, the tuition and fee waiver cannot exceed that of 15 credit hours in-state per semester. Please note: residents of Bullitt, Jefferson, Oldham, and Trimble counties in Kentucky are considered in-state residents.

Qualifications Students who receive this award will be selected on the basis of their past participation and success in theatrical production or performance, their grades, the strength of their recommendations, their audition and/or portfolio presentation, and their commitment to participation in a broad range of theatre.

Information Requested Applicants must provide 1) The information requested on the accompanying form plus any additional material that the applicant considers relevant 2) Official transcripts of high school and college level work and 3) A minimum of three letters of recommendation. One of these letters may pertain to general character but two should attest to the applicant's interest and capability in theatre production and/or performance. These may be solo or partnered, and the applicant's role should be memorized. Each selection should be introduced with a synopsis of essential information such as given circumstances and antecedent action.

Production or management-promotion students should prepare a resume of relevant experience and present, at the time of the interview, a portfolio of such things as photos, playbills, drawings, plans, logs, or other records of the individual's interests and accomplishments.
