

Indiana University Southeast Assent To Participate in Research

Insert: Title of Study

We are doing a research study. A research study is a special way to learn about something. We are doing this research study because we are trying to find out more about We would like to ask you to be in this research study.

Why am I being asked to be in this research study?

You are being asked to be in this research study because

What will happen during this research study?

We want to tell you about some things that will happen if you are in the study. This study will take place at..... We think it will last for

If you want to be in this study, here are the things that we will ask you to do.

"

Are there any bad things that might happen during the research study?

Sometimes bad things happen to people who are in research studies. These bad things are called "risks." The risks of being in this study might be

Not all of these things may happen to you. None of them may happen. Things may happen that the doctors (or researchers) don't know about yet. If they do, we will make sure that you get help to deal with anything bad that might happen.

Are there any good things that might happen during the research study?

Sometimes good things happen to people who are in research studies. These good things are called "benefits." The benefits of being in this study might be

We don't know for sure if you will have any benefits. **If applicable:** We hope to learn something that will help other people some day.

Will I get money or payment for being in this research study?

You will not get any money for being in this research study.

(OR)

You will get money (**or a gift certificate, etc.**) for being in this research study. You will get

Who can I ask if I have any questions?

If you have any questions about this study, you can ask your parents or guardians or your doctor (**or the researcher**). Also, if you have any questions that you didn't think of now, you can ask later.

What if I don't want to be in the study?

If you don't want to be in this study, you don't have to. It's up to you. If you say you want to be in it and then change your mind, that's OK. All you have to do is tell us that you don't want to be in it anymore. No one will be mad at you or upset with you if you don't want to be in it.

My choice:

If I write my name on the line below, it means that I agree to be in this research study.
