

Partners

At Indiana University Southeast

Partners was developed by Indiana University Southeast to help students prepare for the expectations of university coursework. Students whose admission is deferred by IU Southeast are encouraged to enroll in Partners at Ivy Tech Community College or Jefferson Community & Technical College. Students who successfully complete Partners are GUARANTEED ADMISSION to Indiana University Southeast.

We are hopeful that you will continue to pursue your educational goals through Partners. Representatives from IU Southeast visit both schools throughout each semester, see our website for details. Please plan to stop and ask any questions you may have.

Requirements

Follow these steps to complete Partners:

1. Apply for admission to Ivy Tech Community College Sellersburg or Madison or Jefferson Community & Technical College
2. Complete assessment tests and any review courses required
3. Complete and earn a C or better (2.0 overall gpa) in your assigned track
4. Contact Admissions at IU Southeast to update your application.
