

Transferring to Indiana University Southeast

<http://www.ius.edu/admissions/transfer.cfm>

How will my courses transfer?

IU Southeast will transfer credit from other accredited universities or colleges. It is the decision of the Academic School to determine how transferred courses will apply towards your degree. No developmental or remedial courses will transfer. Credit for internships will not transfer. Rules for transferring credit from different school types are below.

Community Colleges No more than 60 hours can be transferred from community colleges. Those courses corresponding to an IU Southeast program of study are transferred. Only courses with grades of C or better will transfer.

Colleges and Universities Those courses corresponding to an IU Southeast program of study are transferred. Only courses with a C or better will transfer.

Ivy Tech Community College Only those courses listed in the *Ivy Tech Community College Transfer Guide to IU Southeast* with a C or better will transfer. Visit www.ius.edu/admissions to download or view the transfer guide.

Jefferson Community College Transfer guides are available to students transferring from Jefferson Community College at www.ius.edu/admissions. Equivalencies are given for several courses, others corresponding to an IU Southeast program of study are transferred as undistributed credit. Only courses with a C or better will transfer.

Vincennes University Transfer guides are available to students transferring from Vincennes University at www.ius.edu/admissions. Equivalencies are given for several courses, others corresponding to an IU Southeast program of study are transferred as undistributed credit. Only courses with a C or better will transfer.

Financial Aid

Financial aid is available to transfer students at IU Southeast. Grants, scholarships, loans and work-study employment are available to qualified students. Those interested in receiving financial aid should complete the Free Application for Student Financial Aid (FAFSA) by March 10. IU Southeast's school code for the FAFSA is 001817.

Scholarships

The Office of Admissions awards several scholarships to qualified students transferring from Ivy Tech Community College or Jefferson Community College. A limited number of \$2000 awards are given to the top students who apply and have completed 50 or more credit hours at Ivy Tech or JCC and have at least a 3.0 gpa. A number of \$500 scholarships are awarded to students transferring from an accredited community (2-year) institution. Scholarship applications are available from the Office of Student Financial Assistance, www.ius.edu/financialaid.

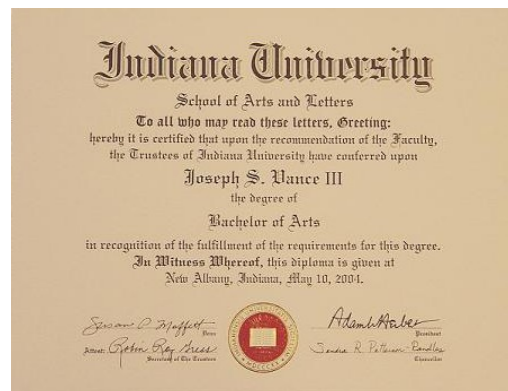

Transfer Student Admission Standards

1. Applicants must submit official transcripts from all previously attended colleges and universities.
2. Applicants must have earned a cumulative grade point average of 2.0 or higher on a 4.0 scale.
3. Applicants that have attempted or earned less than 26 hours of college credit must submit high school transcripts or GED scores and are expected to meet Freshman Admission standards. More information can be found at www.ius.edu/admissions/standards.cfm.

Transfer Applicant Procedures

Admitted Transfer Students

Transfer Credit Report

Your Transfer Credit Report (TCR) lists the courses you have transferred to IU Southeast upon admission. The report will also show you the equivalencies to these courses, if applicable. You may access your TCR at <https://oncourse.iu.edu> after a Network User Identification Name has been created. To access your network identification user name you will need to visit the Account Management System at <https://itaccounts.iu.edu>. You will need your University Identification number listed on your Certificate of Admission.

Advising

Students may find their advisor by contacting the School/Program listed on their Certificate of Admissions. Those students who meet the requirements for admission into an Academic School will have their file sent directly to that Academic School. Those who lack requirements to be admitted directly to a school will be housed in the Academic Success Center while prerequisite courses are completed. Students admitted to the Academic Success Center (812/941-2243) generally need to complete Orientation before being advised.
