

IUS School of Education

Outside of Education

Courses Carrying Graduate Credit

The courses listed below may be applied, when appropriate, towards the candidate's **Cognate** (teaching area) requirement of the IU Southeast Master of Science in Education degree, particularly those of the Secondary MSED. Candidates should submit a Petition for Exception seeking official approval for the course to the Program Coordinator.

Candidates should consult a current IUS Bulletin to determine if they have the appropriate prerequisite (if any) before registering for any of these courses. The official Schedule of Classes should be reviewed for specific course information. **Graduate candidates should anticipate that the instructors of these courses would have higher expectations for them.**

For additional information, contact the Graduate Advisor, Ms. Jane Riehl, at 812/941.2449, jriehl@ius.edu.
