

Action Lab for Educators and Community

Building the BRIDGE to Address Economic Uncertainty

Co-sponsored by
Indiana University Southeast School of Education and Center for Cultural Resources

When: Friday, November 20, 2009, 9:00AM – 3:30 PM

Where: IU Southeast Library, 3rd Floor Reading Gallery

Outcomes: Participants will build an awareness of the 40 Developmental ASSETS as a basis for daily youth interactions through:

- **Studying** the impact of economic stress on SELF and the EDUCATOR, SCHOOL and COMMUNITY.
- **Exploring** the use of ASSETS in coping with and surviving economic stress.
- **Understanding** the impact and importance of positioning schools, educators and community members in leadership positions.
- **Partnering** with leaders from model programs, schools and communities as they present where they were/are/will be.
- **Accessing** a basic partnership grant opportunity which may help you make your proposal a reality!

Registration: Non-students \$20; Students \$15; Deadline: November 2. Registration forms will be available August 1.

Confirmations for Attendance and Professional Development Credit are available upon request. Check the appropriate option in the registration form.
