**OPEN LAB-** the room is open and available for student use but **not** staffed with tutors or instructors.

**CLOSED-** the room is closed and locked on Saturday and Sunday and not available for use.

Scheduled hours, indicated by an employee name, are for mathematics help, tutoring & testing.

Closed on all scheduled holidays.

For software help call 2447.

**Testing:** Students wanting to take an exam will be required to present a valid IU Student ID.

Computers are reserved for mathematics first but open to all if not in use.

**Please Login for Service-** IUS and Purdue students. The only way we get funding is if you login and tell us what services you use.

**Comments, Compliments & Complaints** should be sent directly to the coordinator.
