IU Southeast is committed to maintaining a safe environment for all members of the university community. As part of this commitment, the University requires applicants that have (1) been convicted of any felony or misdemeanor such as simple battery or other convictions for behavior that resulted in injury to a person(s) or personal property or (2) who have a history of formal disciplinary action at any college or university attended to disclose this information as a mandatory step in the application process. A previous conviction or previous college disciplinary action does not automatically bar admission to the University, but it does require review. To help expedite this review, please fill out this form and return it along with your disclosure statement to the Admissions office as soon as possible to the addresses above. Please note, faxed copies will not be accepted.

Please print legibly in black ink.
