u.select (formerly CAS) is a free service to anyone interested in learning about:

- How courses transfer between participating colleges and universities
- The degree programs colleges and universities offer
- How you can best plan your transfer

u.select can tell you:

- How courses you’ve taken will transfer to another institution
- What programs of study are offered at an institution
- Course descriptions
Create an account

Click “Create New Account” located in the left side of the screen.
Step 1: choose Indiana and Indiana University Southeast, click next
Step 2: Complete your personal information and click submit

Find the programs of study at an institution

Choose Indiana and Indiana University Southeast, then click through the list of majors. Program notes may appear with pertinent information about the program.
Find course equivalencies

Browse equivalencies by school - to determine how courses will transfer to a specific school (IUS)

- Step 1: Choose the school which you would like to transfer to (Indiana University Southeast)
- Step 2: Search for the school which you are transferring from. You may select up to 5, then click create guide.
- Step 3: Use the drop down to see the equivalencies to IUS courses

Results will show the equivalents IUS courses you have chosen. If 0 equivalencies (or blank entries) are found, you may have entered the course number wrong, or the course may transfer as undistributed credit.

Browse equivalencies by course – to determine how a specific course will transfer from a school to IUS

- Step 1: Select Indiana and Indiana University Southeast from the dropdown menu
- Step 2: Enter the course department and number
- Step 3: Enter the school you would like to transfer from, or search by state/distance

Results will show the equivalent IUS course you have chosen. If 0 equivalencies are found, you may have entered the course wrong, or the course may transfer as undistributed credit.
