OFFICE OF THE BURSAR

EMPLOYER FEE REMISSION DEFERMENT AGREEMENT

- The student presents the Bursar with a signed third party contract from his/her employer.
- **The student will pay a \$70 fee (which is non-refundable) to have his/her tuition deferred BEFORE any posting is done to his/her account. The fees will be deferred until the end of the semester.**
- **If not paid in full, the student's account will be flagged and classes enrolled in for future semesters may be cancelled.** The flag will prevent the student from registering for future semesters, but will be removed once payment is received.
- A missed payment will cause the student's account to be put on probation. **More than 1 missed payment** will cause the student to be permanently ineligible for the deferment option for future semesters. **NO EXCEPTIONS!**
- The student is responsible at the time the contract is presented for any fees that are not covered by their employer. Those fees could be:

1. Parking Permit
2. Prior term debts
3. Late registration fee
4. Late program change fee
5. Late fees
