The Center for Mentoring has programs designed to help students successfully engage in and adjust to college life at IU Southeast.

The Mentoring Program is available to any enrolled student and will pair you with a faculty, staff, or alumni mentor who will personally guide you from your first year to graduation. The Access to Success program is geared to serve a select group of first-year students on our campus. The Collegiate Summer Institute and Peer Mentor programs provide students with preparation, resources, and connections to enhance student success in their first year of college.

The IU Southeast Scholars program is designed for 21st Century Scholar students at IU Southeast. The program consists of three components: peer mentoring, leadership development through Chi Alpha Epsilon, and a parent component.

The Center for Mentoring is located in US-205, or you may call 941-2516.
